Metro 24528 | Black

Metro 24526 | Cast Bronze

Metro 24526 | Cast Bronze

Inspired by the world's variety of cityscapes, Metro is a collection of modular-styled, asymmetrically arranged boxes at varied heights and depths. This design creates unique reflections that highlight our variety of in-house powdercoat finishes. These sustainability-forward luminaries feature high-efficiency LED with a choice of powered aircraft cable system or stem mounting. Custom configurations are available. Contact UltraLights Lighting or your local rep to find out more.

Contact us or your local rep for pricing + to modify + to customize.
